Start to type the name in the box to add a user. As long as they are already loaded onto the platform, they will appear in the box

Click on the x if you wish to remove a user

Marking Threshold

This is the percentage threshold that will allow your students to retake their questions. For example, if you had a value of 0.5 (50%), any students who have a predicted percentage of less than 50% correct marks in this question will have to retake it.

0.5
